## About the Engagement Opportunities with Community Development

### 2020 HUD Consolidated Plan

Every five years, the City creates its Consolidated Plan, which directs how the City will spend its funds from HUD. In a typical year, the City receives about \$2.5 million from HUD. There are four public meetings to share input on how these funds should be spent.

### East Bluff Special Service Area

Have your comments heard on the proposed Special Service Area (SSA) in the East Bluff! The SSA would provide operational support to organizations carrying out eligible activities by creating a municipal property tax of \$0.18/\$100 of equalized assessed value on all taxable property in the area.
